

It's time to get comfortable.

LX Series Furnaces

When it's cold outside, everyone wants to relax in a home that's warm and welcoming. That's why we created LX Series Gas Furnaces, so you can take it easy when it comes to all the things you want out of a home heating system. Things like dependable performance, energy efficiency and operating economy. As a result, there's no reason to feel left out in the cold. And because it's built by York—the industry leader in innovative design—you know your system won't be down when you want some down time.

UP TO 95.0% AFUE**

Relax, we've got comfort under control.

With several affordable designs to choose from, it's easy to find the model that will keep your home warm and maintain indoor air quality, even on winter's coldest days. And while you're feeling comfortable indoors, you'll also feel good knowing your system is using energy more efficiently to protect the environment outdoors.

Feel good with the Good Housekeeping Seal.

York® products that bear the Good Housekeeping Seal give you the added assurance of product replacement or refund of the purchase price if the product proves to be defective within two years from the date sold by an authorized contractor.

Even our financing is comfortable.

Thanks to today's affordable financing plans, you can purchase a new York® comfort system that fits your budget as much as it fits your lifestyle. Factor in higher energy savings, and it's clear that there's never been a better time to invest in home comfort.

Less can be so much more.

This compact design has one of the smallest cabinets in the industry—just 33 inches high. When replacing older units, you can save time and money, since it easily fits in the existing space. Less space required outside, more heating capacity inside. Trust York to keep costs down and comfort up.

- Exceptionally quiet sound levels
- Attractive appearance
- Tubular aluminized steel heat exchanger
- Compact 33-inch height
- High-efficiency air circulating motor
- Efficiency ratings up to 95.0% AFUE

Complete your home comfort system by asking your York® Contractor about ways to improve your indoor environment and protect your family's health with our indoor air quality options.

| MODEL | DESCRIPTION | HEATING INPUT RANGE | AFUE* | LIMITED WARRANTY |
|-------|---|---------------------|-------|--|
| TM9E | Single-stage operation, high-efficiency motor | 60–120 Mbh input | 95.0% | Lifetime heat exchanger, 10-Year parts** |

For additional product details, such as weight and dimensions, visit www.york.com or ask your York® Contractor.

* Annual Fuel Utilization Efficiency

** For 10-year limited parts and lifetime heat exchanger warranties, system must be registered online within 90 days of installation.

If not registered within 90 days, the parts warranty reverts to a 5-year limited warranty and the heat exchanger warranty reverts to a 20-year limited warranty.

Stay comfortable for years to come.

York is proud to offer the YorkCare™ Comfort Plan. It's designed to maintain your system as well as your peace of mind. With YorkCare™ you get total protection that ensures your unit is effective and efficient for years to come.

What's more, your York® Contractor offers maintenance agreements that provide upkeep while maximizing the warranty provisions. Ask about the YorkCare™ Comfort Plan. A little extra coverage is always a comforting idea.

Long story short—our history.

You may not know it, but York® products have been all around—from the world's most famous buildings, including the U.S. Capitol—to the entire U.S. Navy nuclear submarine fleet, as well as your local mall and corner bank. For 140 years, the York® brand has earned trust as the first successful room air conditioner and for the world's first mechanically cooled theater, hotel and office building. Today, we're constantly leading the industry in our residential product design, signified by the Good Housekeeping Seal and ENERGY STAR® qualified products.

You can depend on York to give you the choices you trust for comfortable performance all day long, year after year. Want to know more? Contact your York® Contractor. They have 140 years of innovation to tell you about.
